

KISHORE A

kishoreofficial011@gmail.com +91 6381561825 www.linkedin.com/in/kishorea001

Recent graduate with internship experience as a Java developer, proficient in building robust applications. Enthusiastic about Python and eager to expand my software development skills

SKILLS

- Programming Languages: Java, Python
- Frameworks: Spring Boot, Django
- Web Technologies: HTML, CSS, JavaScript
- Databases: MySQL, PostgreSQL
- Tools: Git, Nmap, Postman, Burp Suite.
- Operating Systems: Linux (Ubuntu, CentOS), Windows

CODING PROFILE

- Solved 300+ problems on various coding platforms

PROFESSIONAL EXPERIENCE

Intern | Equiniti India | [2024]

- Developed backend services using Spring Boot for internal applications.
- Assisted in the implementation of RESTful APIs to facilitate communication between different services.
- Participated in code reviews and debugging sessions to improve code quality and performance.
- Collaborated with senior developers to understand and implement project requirements.

Intern | Sai Incubation Center | [2023]

- Worked on sensor design, microcontroller programming, and IoT software development.
- Gained hands-on experience in real-time project implementation and product development.

PROJECTS

ToDo Application:

Developed a web-based ToDo application using both Spring Boot and Django to manage tasks and deadlines efficiently. Created a user-friendly interface for organizing and prioritizing daily tasks, leveraging Java and Python web frameworks.

Intelligent Rain Predicting Irrigation System:

Designed farmer-customized rain-based irrigation system for efficient crop yield and water conservation. The project aimed to optimize water usage and improve crop yield by providing irrigation only when necessary based on real-time soil moisture levels.

CERTIFICATIONS

- Certified Full Stack Foundation - Core Java - L&T.
- SQL for Beginners (Scaler Academy) .
- Cisco Python Skills Certificate.
- Cisco CCNA Packet Tracer Ultimate Labs : CCNA 200-301 (David Bombal).

ACADEMIC DETAILS

Bachelor of Engineering in Electronics and Communication Engineering

KPR Institute Of Engineering And Technology

- CGPA: 8.01

Higher Secondary Certification

Sri Raghavendra Vidyalaya

- Percentage: 70.6%
